... And much more

• Number of Single Adults in America Doubles to 82 Million!

Recent polls reveal a staggering trend in America ... the number of singles is growing at an astounding rate.

Compared to the 38 million single Americans in 1970, today's 82 million accounts for a shocking increase of more than 100% over the past 30 years!

Now more than ever, people are looking for love ... and looking for answers to connect, and let go of the fear of rejection! Renee Plane is truly a awesome Role Model for the Happy Single Person!

Renee Plane

Author of “Love Mechanics”
Listed in *The Wall Street Journal* as one of the 8 Top Resources for Single Men in America!

From her immensely popular “Rapid Dating” Events, to her weekly column “Singlezone” in “Entertainment Today,” to her always packed “Smart Man’s Guide To Attracting, Dating, and Understanding Women” seminars, Renee Plane is ever busy helping people prepare for love from the inside out.

Renee has been featured in Cosmopolitan, Newsday, and The LA Times to name a few. You may have also seen her on numerous TV shows such as The Other Half,” “The X Show,” “Love Chronicles,” and “Men Are From Mars, Women Are From Venus,” giving fresh, direct dating advice and performing everything from Complete Makeovers on men to Love Nest Tune-Ups. She has also been a guest on countless radio shows around the globe.

“Love Mechanics” is a simple, step-by-step Guidebook for men, which offers Powerful Tools to Win in the Game of Love! Arguably much more valuable than Playboy!

Renee realized that since men are often still the one's wearing the “initiator” hat, it would be extremely helpful if they had a clue what women really wanted in these changing times.

“Love Mechanics” gives men a hidden microphone into women's innermost private thoughts and feelings and the strategies to get results!

Renee reveals the inside scoop on what most women expect men to know... but never tell them. And she does it all in straightforward language men can understand ...a car metaphor.
